Supporting the Youth Mentoring program at Castlemaine District Community Health

The Youth Mentoring Program matches trained adult mentors with a young person (aged 12 to 24 years) in need of additional adult support and friendship. Mentors contribute to a young person's self-esteem and resilience to overcome challenges in his or her life.

Donations gratefully accepted, please

call in to Castlemaine District Community Health,
13 Mostyn St, Castlemaine

Donations over \$2 are tax-deductible
